

## MORE THAN A BOOK CLUB

Well-Read Mom (WRM) is a book club for women who want to accompany one another in reading the classics, great books, and timeless spiritual works from the Western and Catholic traditions. Our book selections for each year correspond to the themes of a woman's life: mother, daughter, sister, friend, worker, pilgrim, and contemplative.

### HOW IT WORKS

'Year of the Pilgrim' materials make it easy to follow along in a group or on your own. They include:

- The **Reading Companion** with author biographies, book reflections, and discussion questions
- Monthly **audio resources** to enrich your reading and group discussions
- Our **Winter Bundle** with interviews and articles to help us go deeper into this year's selections
- The summer **Newsletter** which is filled with readers' letters and summer book suggestions.

### EARLYBIRD BONUS!

Register by August 1st, 2017 and receive a **Bonus Short Story Bundle** with audio and PDF resources for studying "The Necklace," a light, fun, yet meaningful read to share on your front porch or patio this summer (or whenever you'd like!). After August 1st, the bundle will be available for purchase only on our website.

### NEED FINANCIAL ASSISTANCE?

Scholarships are available. Please inquire by writing to us: [support@wellreadmom.com](mailto:support@wellreadmom.com) before August 1st.

*We invite you to join a movement  
of women changing the culture  
one book at a time!*

### WHAT WOMEN ARE SAYING

"Could a book club for moms change the world one reader at a time? I think that's exactly what is happening. This is not just a way to spend my limited free time. It is a way to improve my life. It makes me a better, more thoughtful person. When I'm a better, more thoughtful person, I am a better, more thoughtful mother, and my children can only benefit from that. I'm not sure that "better mothering through book clubs" is a thing yet, but if it's not, it has to be on the rise, thanks in large part to WRM." - Abbey Dupuis
